## AGENDA

### Activity 4.2.c

## Waste management – Composting training

12-18 may 2009

Experts: Adrie Veeken, Herman Huisman (The Netherlands)

#### Program

##### Tuesday 12:

9:00-10:00 Meeting with representatives from the School Inspectorate of Bacau, if possible accompanied by Mr. Lupu or a teacher involved in school composting

- Explain programme and results
- Show DVD with materials, give some printed copies of some of the materials
- Propose extension to the county schools, whenever possible

11:00-14:00 Course to NEPA, REPA, LEPAs & NEG from Bacau, Neamt and Vaslui, waste management operators of those counties, on:

- Open air windrow composting facilities (based on manual from ORBIT Association)
- Compost quality and marketing (based on guidelines by Adrie)
- Materials for composting campaigns? (based on DVD and materials Adrie)

##### Wednesday 13:

10:00-14:00 Compost masters course to NEPA, REPA, LEPAs & NEG from Bacau, Neamt and Vaslui, and corresponding county councils and main municipalities:

- Presentation of the DVD materials
- Course based on such materials, which may be reproduced afterwards by the participants
- Delivery of diplomas

15:00-17:00 Time for preparation of written deliverables & report

##### Thursday 14 (Botosani):

09:00-10:00 Meeting with representatives from the School Inspectorate of Botosani, if possible accompanied by Mrs. Curtman or another teacher involved in school composting

- Explain programme and results
- Show DVD with materials, give some printed copies of some of the materials
